DECEMBER LUNCHEON WILL FEATURE ELITE MUSIC GROUPS

Following a well established tradition, the program for our December luncheon will highlight two outstanding musical groups from Strongsville High School. The luncheon will be held on Tuesday, December 18 at the Ehrnfelt Recreation Center.

The program will feature Cantorum, a highly select group of 40 voices chosen from the Choral Department of 350 voices. The group typically performs classical and serious musical literature. Their director is Mrs. Vickie Eicher. For the luncheon, the group will be performing a combination of holiday favorites with traditional choral selections.

Also performing at the luncheon will be the Chamber Strings under the direction of Mr. Andrew Hire. This group is also highly selective and consists of the most advanced string students from the school's top orchestra. The group meets after school and is a supplement to the main orchestra.

The Chamber's Christmas Luncheon is a very popular event and members are encouraged to reserve early. Please call the Chamber office at 440.238.3366 to reserve your seat at this extraordinary luncheon. The luncheon is just \$12 per person, payable at the door. Holiday Scholarship Dance is December 7

The annual Holiday Scholarship Dance sponsored by the Strongsville Chamber of Commerce will mark the unofficial kickoff to the holiday season in our community.

The festive annual event, which has been a tradition in Strongsville since 1964, is scheduled for Friday, December 7, 8:00 p.m. – Midnight, at Michaud's Town and Country Banquet and Conference Center, 16808 Pearl Road.

Over the years this event has provided funds which enable the Chamber to award thousands of dollars in scholarships to Strongsville High graduates and to benefit other educational activities in the city. This past May, the Chamber awarded thirteen scholarships to Strongsville graduates. In addition, the Chamber has been making an annual donation to the Sts. Joseph and John Interparochial School Media Center with proceeds from the dance.

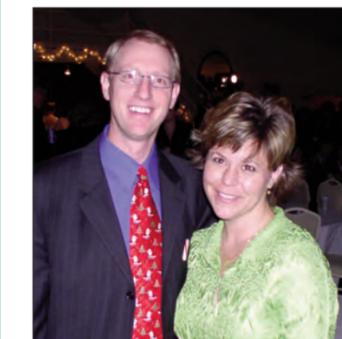

Chamber Trustee Gregg Finkler, who serves as co-

chairman of the event with Trustee Mike Kalinich, said that last year more than 1000 residents and business persons attended the dance.

By popular demand the Chamber has brought back The Shout Band to provide musical entertainment. The group has been a consistent favorite for this event for several years.

Guests are invited to bring their favorite hors d'oeuvres and enjoy an evening of dancing and socializing. Several cash bars will be open throughout the evening. Ticket holders are automatically entered

into a drawing for a fully decorated Christmas tree which will delivered to and assembled at the winner's home or business.

To purchase tickets (\$60 per couple) or to make a contribution to the Chamber's Scholarship Fund, contact the Chamber office at 440.238.3366 or e-mail at info@strongvillechamber.com. Those who purchase a table (five tickets) will receive a complimentary table sign that identifies your company or group.

CHAMBER GOLF OUTING A HUGE SUCCESS!

The annual Chamber of Commerce Golf Outing was held on Monday, October 1 at Columbia Hills Country Club and was one of the most successful in recent years.

With nearly 90 golfers participating this year, the event included brunch, 18 holes of golf, locker room facilities, and hors d'oeuvres during a brief prize ceremony at the end of the day.

Golf Chairman, Dr. Neil Sika, thanked Pete Baur Pontiac for sponsoring a car on the Hole in One contest for the third consecutive year. (Readers may recall that Chamber member Dave Czerniak won the car with a Hole in One on hole number 15 in the 2006 outing!).

Dr. Sika also thanked all of the hole sponsors for their support in making the event a success.

The Chamber's Golf Committee will be meeting soon to make plans for the 2008 outing. Watch for more information.

CHAMBER MEMBERSHIP GOES OVER THE 500 MARK

For the first time in the history of the Strongsville Chamber, our membership rolls have exceeded the 500 level, with 520 members as of November 1, 2007.

It's important for every organization to try to grow its membership, but it's especially critical for Chambers of Commerce to work on membership all the time.

New members represent new ideas, extensive volunteer investment, and added financial strength for Chamber programs.

Our Chamber will continue in 2008 to "take care of business" in ways that promote economic development, advocacy for our members, and an ever-increasing list of member benefits.

The Strongsville Chamber – it's the place to be!
